

### **TEXTBOOK RENTAL AGREEMENT**

**I understand that reminders and notices will be sent to me through my Mayville State e-mail account.**

As a registered and enrolled student of Mayville State University, I have chosen to rent the textbook(s) for the current semester as shown on my receipt. I have paid the non-refundable rental fee. **I understand books rented to me are the property of Mayville State University.**

I will return the book(s) to the MSU Bookstore no later than the return date for the semester. If I ship the book(s), they must be received at the bookstore no later than the return date.

I understand the rental fee is **refundable only if the class is cancelled or that I have dropped the class.** The textbook must be returned by the last day to drop/add classes for the current semester.

I will return the materials in good salable condition; clean, minimal highlighting and notes. All components must be returned. If the book has damage caused by water, coffee, etc; tooth marks from pets or spine damage I will be billed for the full price of the book.

If I am late or if I do not return the book(s), I will pay the MSU Bookstore the full retail price and the non-return processing fee of \$20.00 per book. **I authorize the MSU Bookstore to charge the same credit card account that was left as the security account at the time of rental to make this payment.** If the card is denied for any reason, I authorize the MSU Bookstore to place the charge on my student account. I further understand that a hold may be placed on my student records and I may be denied rentals options in the future.
